Dear Basketball Official,

The 2009 Seashore Basketball Officials Clinic will be conducted during the weekend of May 29th - May 31st. This clinic is a weekend vacation in Wildwood, New Jersey, for the official and his family, with educational opportunities for the official.

What a great combination!

The cost of the weekend includes the following:

2. Friday night family soda, beer, and pizza party
3. Five hours of lecture. Past speakers are listed to the left.
4. Clinic gift for the official
5. Door prizes.

All of this for a lower cost than staying at a beach front hotel for a summer weekend.
